

## Download the Conference App!

1. **Download** the *EventsXD* mobile app on your smart phone or tablet!
2. **Create** an account if you haven't used *EventsXD* before. If you have it, simply **login**.
3. In the search bar, **type**: "29<sup>th</sup> Annual Technology and Adult Education Conference."
4. **Click** on the "29<sup>th</sup> Annual Technology and Adult Education Conference!"

5. A screen with features will appear, including:
  - Schedule** – All concurrent sessions organized by time
  - Speakers** – List of conference presenters
  - Time slots** – A quick agenda
  - Session types** – A breakdown of the concurrent presentations
  - Tracks** – A description of each track (ESL, High School Equivalency, Digital Skills) and the sessions that will cover each topic.
  - \*\*The Conference Evaluation Survey** (icon on the lower right corner), will take you to the event evaluation. **Please make sure to complete the survey at the end of the conference.**
  - \*\*Handouts and Resources** (icon on the lower left corner), will take you to the *Dropbox* folder where handouts can be accessed.

You can also access information and make your own agenda through the **conference website** by clicking this link <https://goo.gl/rHNg8P>.
